

TRIM KIT_MUD-IN (AIRELIGHT™ SQUARE 4.0)

DESCRIPTION

The Airelight™ Square 4.0 Mud-In Trim Kit provides an optimal choice for lighting solutions in drywall surfaces. With a low profile, the Mud-In Trim Kit can be installed easily and accommodates small wall cavity spaces when necessary. The minimalistic look of Mud-In Trim Kit blends effortlessly into wall and ceiling surfaces. Once the trim kit is in place, the magnetic connection of the Airelight™ Square completes the installation effortlessly.

Applications: Embedded drywall lighting for Office, Retail, Residential, Industrial, etc.
