

MOUNTING PLATE KIT (AIRELIGHT™ LINEAR ES 0.5_1.0)

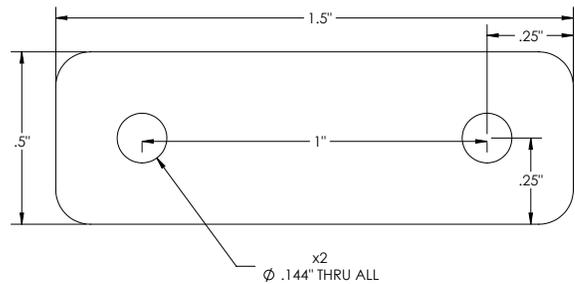

MOUNTING PLATE KIT (AIRELIGHT™ LINEAR ES 0.5_1.0)

PRODUCT IMAGE

DIMENSIONS

DESCRIPTION

The Mounting Plate Kit for the Airelight™ Linear ES 0.5 & 1.0 provides a variety of options for lighting a space. The kit allows lighting designers to easily embed Airelight Luminaires into millwork or other architectural surfaces. The mounting plates can be installed with screws or double sided adhesive tape. Once the plates are mounted, the magnets on the Airelight™ ES model simply attach the luminaire into the desired space, providing easy integration and a secure attachment.

Applications: Embedded lighting in millwork, metal, fabric and various building materials
